

Dragonfly

Dragonfly's elevated location provides truly breathtaking views of turquoise seas and uninhabited Caribbean islands. Occupying an extremely secluded location within four acres of tropical gardens, and expansive lawns it benefits from tranquility, privacy and an enviable and refreshing sea breeze.

Entering Dragonfly, guests are welcomed by a stunning internal courtyard with koi fishponds and fountains, surrounded by a bougainvillea clad pergola and dominated by a large frangipani tree.

The breathtaking journey through the courtyard takes you to a superb Great room with open views to the sea beyond a large glistening infinity pool.
