A professional chef's kitchen and an on-site chapel make this villa ideal for hosting unforgettable events of up to 500 seated guests.

Villa A includes five spacious bedrooms with en suite bathrooms, a living room, dining area, and fully equipped kitchen. Villa B features six bedrooms with en suite bathrooms, a large main living room, fully equipped kitchen, and dining area, and it connects with Villa C, which has five bedrooms, including an 80 m² master suite with a private living area and large Jacuzzi on the balcony, plus a cozy entrance hall on the ground floor. The two bungalows at the lower level offer two optionally interconnecting bedrooms with en suite bathrooms, while the pool suites each feature two en suite bedrooms with private mini pools, which can also be heated on request. All units are fully air-conditioned with individual controls and equipped with advanced audio-visual systems, smart TVs, a high-tech alarm system, and CCTV.

The outdoor spaces are designed for ultimate relaxation and entertainment, with Mediterranean gardens, a natural grass area in front of Villa A, two large infinity pools with sea views, and multiple lounge and dining areas strategically placed throughout. The first pool sits on the main terrace in front of Villas B and C, while the second pool is outside Villa A. The two mini pools are positioned in front of the pool suites. The main terrace features a stone bar with a gas BBQ, a built-in Italian oven, and two large seating and dining areas.
