DESCRIPTION

Located mid-island, our guests are only 20-25 minutes away from the airport and Seven Mile Beach, the same distance to Rum Point, and 20 minutes to the best kite-boarding, wind-surfing, and scuba diving in East End.

Evolution was specifically designed to offer 7 large bedroom suites and a massive vaulted great room, all on one floor and each with direct oceanfront views with walk-out access to the oceanfront pool and spa. This is a great entertaining villa for hosting a large group of adults.

There is only one way to design such a villa... so Evolution is quite wide at 165+ feet. Evolution is situated on over 250' of sandy beach, adjacent to Bodden Town's famous cemetery beach (quiet neighbors). Wander the secluded shoreline and discover what it's like to have the beach almost to yourself, or rub elbows with islanders at local spots like the Czech-Inn Grill, South Coast, or Grape Tree Café.

Choose from two king-bed master suites, four queen-bed suites, and a slumber party haven that can sleep 8 with two sets of full-over-full bunks and an X-Box One gaming station.

Unique Features

Oceanfront vaulted great room with a wall of glass offers stunning views, furnished with very large cable television, stereo, Sonos, and multiple couches and chairs for everyone to use after a day of sun and surf. The formal dining table seats 12, kitchen bar seats another 7. Multiple outdoor dining tables and chaises. Modern kitchen with high-end appliances, with a full complement of dishware, cookware, cutlery, and small appliances. Our private chefs love this kitchen.

Elevated deck with heated (in winter) infinity pool and heated spa.
