### DESCRIPTION

Set in beautifully landscaped gardens on a cliff top location in the 'high quality ' area of Lance Aux Epines.& With dramatic views of the sea and gardens sweeping down to the rocks a large swimming pool and designer furniture top off one of the loveliest family villas on the island of Grenada.

Built on the edge of a cliff giving fantastic view and a cooling wind. Views include the lighthouse on the headland. The house was completed in 2008 and every room is aimed to bring luxury and relaxation. There are hardwood floors throughout the main room downstairs and cream porcelain tiles giving a cooling effect throughout the rest of the house.

For families and groups of all sizes - even couples who want that extra space to themselves this property is perfect with the lovely large master bedroom at the heart of the property on the ground floor.

The entrance give balance to the property - The grand hallway takes you through to the fantastic living room and on out to the private garden deck and pool area or into the well equipped kitchen

Fushi Kitchen is ready for you to cook up your delicious tropical tastes. Guest enjoy a large American subzero fridge freezer with ice and water dispenser. Microwave, electric hob, cooker outdoor gas barbeque, Electric Coffee percolator. The kitchen is just off the main living area, and centered around an island which seats four people. The breakfast table is for four people.

The kitchen leads directly to the outside where there is further shaded and covered seating and dining area. An outside dining area for ten people, a bar for four, close to large sofas and chaise lounge. Shelter from the sunshine orand;;; sit out during a tropical rainstorm.

There is a separate air conditioned TV room with plasma TV and DVD player.

Fushi offers an extra large pool, 20 ft by 40 ft, 7.5ft at the deep end and 3.5ft in the shallow end, set in a spacious terrace with a whole host of lovely lounging furniture and excellent seating pods with enclosing shade covers which protect from the Caribbean sun in style. From the moment you walk into the house you will be wowed by the space and feel of the house.

Five en suite luxury bedroom suite, including a master suite that opens directly onto the pool deck and four bedroom suites upstairs, two of them with outstanding ocean views from interconnecting verandas. Twins and double bedrooms to enable flexibility and guest to sleep in comfort.

The master bedroom is based on the ground floor for ease of access. This vast luxurious bedroom is given extra privacy from the main house by a double entrance way. There is plenty of wardrobe space, large mirror, console table and chair.& Looking into the bedroom. With Egyptian cotton sheets and towels the luxury envelops you.

From the double french doors you walk out directly onto the patio and pool area. You can relax in the shade on your own little patio and relax on the beautiful furniture. The view while lying down in bed is across the pool to the ocean
