DESCRIPTION

The five bedroom suites are equally sumptuous - all have ensuite bathrooms and four have king beds. Three of these bedrooms have either bathtubs or jacuzzi tubs overlooking the ocean waves, while the fifth bedroom suite is twin-bedded and has direct access to the pool deck where our cliff-edge infinity pool merges with the turquoise sea.

Sleek living areas, with glass doors that can be opened to the sea breezes or closed for air-conditioned comfort, provide a collection of zones to chill, engage or play; beds are incredibly comfortable, while a relaxation pavilion, the partially shaded pool terrace, balconies and daybeds all offer quiet corners to curl up with a book or to enjoy a massage.

Enjoy hearty breakfasts at a sunny table next to the immaculate guest kitchen; relish casual alfresco meals or a sizzling barbecue beside the pool, or more formal feasts in the villa's smart dining area, all prepared to your taste by your personal chef.

At Grand Cliff Nusa Dua, you can spend your days lazing beside the pool and being waited upon by our lovely team of staff, including a manager and personal butlers. If you're feeling a little more energetic, go swimming or reef-combing off the honey-coloured sands of Asmara Beach, or work out in the villa's private gym. You will surely appreciate the pampering diversion of a facial, a luscious body-scrub, or a massage to the rhythm of the waves in the villa's spa. Competitive types will be enticed by the possibility of a billiard tournament in the games room, or the opportunity to show off their vocal skills with a raucous karaoke contest in the home theatre. Later, relax with a cocktail on the bar terrace, or an epic movie on the 65-inch screen.
