DESCRIPTION

No detail has been spared: this home features many striking eating areas including the breakfast nook, which has a lovely vantage point over the pool, what a way to start the day. Dinner al-fresco is remarkable under the Caribbean Stars, alongside the tranquil Saline pool or inside the Gazebo with the stone-top lazy-Susan table adjacent to the large Barbeque. Back within the beautiful coral stone walls of the main house is a formal dining room with seating for 12. Whether it's a formal dinner, a quick breakfast before a round of golf, or a lazy lunch pool-side, Grendon House is the perfect setting.

For those that like a dip in the ocean and sand between their toes, your stay at Grendon House includes a Cabana at Sandy Lane Beach, giving access to the beautiful beach, beach chairs and use of the Property Owners Facilities including a bar and comfortable seating areas.

Grendon provides an abundance of activities within its grounds, including lounging by the serene pool, where you can spend the whole day working on a beautiful tan in the brilliant Barbados sunshine. There are many sun loungers for your use and a shaded gazebo ideal for a fresh-air afternoon nap. Downstairs there is a large games room perfect for hosting a ping-pong tournament or a hand of poker. The lovely spacious patio upstairs which looks out onto the strikingly landscaped gardens has plenty of seating, and a bar where one could easily whip-up some afternoon cocktails: every hour is happy hour in Barbados!
