### DESCRIPTION

The lake house sleeps up to 10 guests in five bedrooms with interiors features such as decorative antlers, warm plaid fabrics and faux fur rugs contributing to its ski chalet/hunting lodge vibe...

...The main living room's double-fronted windows open onto an acre of garden and the stylish kitchen boasts all the latest mod cons and furniture by the likes of Ralph Lauren, with a rustic green-oak dining table overlooking the lake.

The cinema room with 65-inch screen and a large games room will keep everyone entertained. A glass and stainless-steel staircase leads up the bedrooms all with floor-to-ceiling windows - two have oval baths overlooking the lake, for the ultimate relaxing soak.
