DESCRIPTION

Solara unveils its luxury and comfort through a warm atmosphere that makes us feel at home, with family. Embracing a modern-ethnic style that values simplicity and handmade art, the furniture is comfortable and practical, in neutral tones. Adorning its many walls are crafts that have traveled a long way from the hands that crafted them to this Caribbean enclave, originating from Africa, India, Morocco, Indonesia, and more, as well as creations from the hands of local artisans.
