### DESCRIPTION

Tucked away down a tiny historic lane, Hideaway Terrace is an enchanting, 17th century red brick cottage that combines contemporary charm with sophisticated luxury.

Nudge open the grey front door and step inside this ultra-stylish, design-led home.

In the living room, discover two sumptuous sofas, a 58" TV, and a cosy wood burning stove for the ultimate relaxation.

The kitchen is fitted with all the essentials, including a Nespresso coffee machine and an elegant marble dining table. There's also a fabulous downstairs loo.

Upstairs, two beautifully appointed en suite bedrooms await (one with a king-size and the other with a queen-size bed). Soft, ambient lighting and luxurious White Company bedding means you'll struggle to get up in the morning. And for the ultimate treat, relax and unwind in the luxurious copper bath, and enjoy the complementary Molton Brown goodies and luxury bath robes.

Outside, the picturesque walled courtyard garden, flowing with the sweet fragrance of jasmine and clematis, is perfect for al fresco dining and drinks. Sip wine under the gentle glowing lights and on summer evenings, you could be forgiven for thinking you were in the Mediterranean.

No detail has been overlooked in this thoughtfully designed property and Hideaway Terrace makes an idyllic bolthole for four, or a romantic retreat for two. (Please note, this property is not suitable for children).
