DESCRIPTION

The main house features a stunning foyer and formal living room with double height ceiling, vaulted beams, beautiful coral stone interiors and a blend of modern and antique Caribbean furnishings. French doors open out to a spacious covered verandah with relaxed seating, ideal for lounging with a book and enjoying the cooling breeze and sparkling views beyond. An elegant dining nook seats 10 and is ideal for breakfast and casual meals, however a more formal pavilion is located across the garden and can accommodate up to 14 guests for al fresco evenings, making High Breeze a fabulous option for those looking to entertain during their stay. The pool and sun terrace are elevated on the ridge offering breathtaking views of the coastline below and lots of comfy oversized loungers and umbrellas.

The guest cottage has two en suite bedrooms with queen beds and a private outdoor patio overlooking the lush gardens and towards the polo field.
