DESCRIPTION

Spacious Bedrooms and Private Balconies

The villa features four stylish bedrooms across the main house and chalet. The master suite occupies the upper floor of the chalet and opens onto a large balcony with built-in seating, perfect for alfresco dining with ocean views. Two additional bedrooms sit on the ground floor and lead directly to a shaded verandah overlooking the gardens.

A fourth bedroom is located in the main building and enjoys a spacious balcony with sea views. Most bedrooms feature ensuite bathrooms, while the fourth bedroom has access to a shared bathroom. Each bathroom includes sleek cement finishes, modern vanities, and hot-water showers. Bedrooms also feature mosquito nets, comfortable lounge chairs, and built-in wardrobes for added convenience.

Open Living Spaces and Chef Service

The main house offers a spacious open-plan living and dining area designed for relaxed tropical living. Plush lounge seating and a ten-seat dining table create the perfect setting for gathering with family and friends. A cozy den with sofas, TV, and DVD player provides a comfortable space for quiet evenings indoors.

Guests may cook in the fully equipped kitchen, although the villa also includes the services of an in-house chef who prepares delicious Sri Lankan cuisine. The villa is family-friendly, and baby cots or babysitting services can be arranged in advance.

Tropical Gardens and Poolside Relaxation

Outdoors, a private swimming pool with jacuzzi sits beneath swaying coconut palms. The surrounding gardens attract local wildlife, including peacocks and rabbits, adding to the villa's natural charm. Sun loungers and shaded spaces create the perfect setting for relaxed afternoons in the tropical breeze.

A dedicated team including a villa manager, cook, housekeeper, and gardener ensures every stay runs smoothly so guests can fully enjoy their time in Sri Lanka.
