Hope Bay

There is no road down to Hope Bay, only a track, ensuring that it retains It's extraordinary wild and remote feel. The beach itself is about a quarter of a mile long with a backdrop of an old coconut tree plantation. The sea temperature is always warm but being on the Atlantic side, the waves are sometimes exciting.

The property is situated on the edge of Mount Pleasant overlooking Hope Bay, arguably one of the best and most exclusive locations on Bequia. This site has the ideal combination of relatively flat land at the top for the buildings and gardens, then below this the land slopes down providing excellent separation and privacy. All the planting has been carefully selected for It's suitability to the site and has been sourced locally. The gardens include Frangipani, palm, mahogany and fruit trees. Scented plants include jasmine and there is plenty of local colour such as hibiscus, periwinkle and plumbago. Garden and exterior pathways are lit by a dawn 'til dusk automated lighting system.

The Great Lodge comprises of a surprisingly huge reception room measuring 1092 sq ft with teak floorboards and full-height precision-made sliding glass panels which open fully along the entire length of the room, welcoming in the cooling trade winds.

A 12 ft deep wrap-around verandah with Peruvian mahogany floorboards presents guests with an area for total relaxation and sublime ocean views. Approached along jasmine-scented paths through a coral stone tiled entrance garden this building is centrally placed within the property and forms the main entertaining space.

A separate sitting room with a large flat screen TV and comfortable sofas for relaxing. The sitting room adjoins the main central space.

A fully-fitted working kitchen with stainless steel units and stone worktops, range cooker, double fridge, freezer and coffee-maker is located in this Great Lodge offering the ideal space for food preparation and storage.

Situated on each side of the Great Lodge, these 2 lodges comprise of very spacious double bedrooms, adjoining sitting rooms, fully-fitted dressing rooms and bathrooms, one has an adjoining shower in addition to the bath.
