JSA

The perfect location for a perfect stay. Set in the sought-after neighborhood of Lurin, Villa JSA Saint Bart is a splendid rental home designed for Epicurean souls. Its fantastic location on a quiet hillside makes it an absolute must for privacy-seeking travelers of all ages. This, however, does not imply a secluded stay: though peaceful and slightly out-of-the-way, Lurin is very close to many of the best-loved spots on the island.

DESCRIPTION

An elegant villa with a fun twist. If you'd rather relax at home, Villa JSA has everything to make you spend a perfect Saint Bart day. Including a gorgeous infinity pool, an elegant wooden deck with comfortable daybeds, and a host of fun equipment such as a foosball table and a pinball machine. The most remarkable feature of Villa JSA, however, is without a doubt its wide-open view over the turquoise waters of the Caribbean sea. A perfect setting for lounging and daydreaming... especially at sunset, when the shimmering colors of twilight fill the endless Saint Barths sky.

Villa JSA features 2 en-suite bedrooms with ocean view, a fully equipped kitchen and a large living room. We recommend it for a party of two couples or a family with teenage children.
