## DESCRIPTION

Two inside master bedrooms with spacious rainshowers combined with an inside garden and four rooms facing the open ocean. The two guest rooms as well as a master bedroom can be opened up entirely to create inside/outside living space which is connected with the poolside terrace and the garden facing the ocean.

An additional master bedroom is located on the top floor with spectacular views across the beach onto the open ocean.

Each of the 6 rooms have their own spacious bathroom.

The living room and kitchen turn into an outside patio during the day which creates a seamless transition to the pool onto the beach.
