DESCRIPTION

The design blends a simple tropical aesthetic with modern luxury. The four full-time staff include a gourmet chef. The house is located in a cashew grove just outside the fishing village of Tangalle and close to nature reserves and temples

Only a handful of private homes have direct access to our picture-perfect beach, with its soft white sand and swaying palms. The warm, clear waters of the Indian Ocean are ideal for body-boarding and swimming all year round. Fishing boats land in the morning and fresh fish can be bought directly from the boats. Around the rocky headland from our cove lies a long, curving bay with more enticing spots for sun-bathing and beach-combing. Boating, fishing and snorkeling trips can be arranged, when guests may encounter pods of playful dolphins and migrating whales
