DESCRIPTION

Kaia Kamina sleeps 18 across seven bedrooms. Keep the sea views close in three oceanfront, king-size master suites that share a breezy balcony. Two more garden-view suites in the main house aim to please our smallest guests with two twins beds in one bedroom, and two full-over-full bunk beds in the other. Two more detached, garden-view king-size suites with kitchenettes and laundry offer the ultimate privacy—perfect for young families or accompanying staff.

Find space to cool down from the sun (like a media room and great room) and work on your tan (like a poolside deck, steps from the beach). As the sun sets, a decision awaits: dinner indoors, with the chef's kitchen and contemporary dining table...or head out to the outdoor kitchen, covered poolside dining table, and unforgettable views?
