DESCRIPTION

A sprawling double lot directly on the Caribbean Sea is among the most stunning waterfront locations in all Jamaica. This is the rarefied site of the private villa named Karma Bay. Six bedrooms, multiple gazebos and sitting areas, a beautiful pool and water front lido with a broad marble terrace are bordered by a wide soft lawn, coconut palms and a blue view that stretches to infinity. The vista is so expansive that it captures both the sunrise and sunset skies.

Twelve miles across the sea is the town of Montego Bay with a light show that adds magic to this spectacular sight each night.

Complementing this dramatic site is the architecturally unique and glamorous villa itself. Its features are distinctly Caribbean; its interiors are rich in Jamaican, Asian and European influences in an esoteric merging of period, contemporary and traditional style. With consideration for vacationers in groups of up to 12 guests, Karma Bay's design provides many private areas for hours of solitude whenever individuals wish to escape from their beloved families and best friends.

No stay at Karma Bay can be enjoyed without our mentioning Chef George, He and his team will delight your palette, George is one of our very best & brightest Chefs and is acclaimed by all of our guests.

Bedrooms feature pillow-top mattresses, remote control air conditioners, ceiling fans, cable television and iPod docks.
