Luxury Koh Samui Beachfront Villa with Infinity Pool and Ocean Views

Baan Leelawadee is a luxury Koh Samui villa located directly on Bo Phut Beach. It offers a refined beachfront escape with sweeping seascape views and a peaceful coastal setting. In addition, it blends traditional craftsmanship with modern comfort.

This four-bedroom villa is designed for families and groups. As a result, it provides generous living spaces alongside private bedroom pavilions.

Koh Samui Villa with Four Air-Conditioned Bedrooms

Baan Leelawadee features four air-conditioned bedrooms arranged across separate pavilions. Each space is designed for privacy and relaxation. Therefore, guests can enjoy a calm and comfortable stay.

The master bedroom sits in a pavilion adjoining the living area. In addition, it features a four-poster king bed, a bathtub, and both indoor and outdoor rain showers. It also offers direct access to the infinity pool.

Two guest bedrooms share a pavilion. One includes twin beds, while the other has a double bed. Both include ensuite bathrooms with rain showers.

A fourth bedroom is located in a two-storey pavilion. It includes a king bed, ensuite bathroom, and a private balcony with 180-degree sea views. As a result, it offers a highly private and scenic retreat.

Beachfront Infinity Pool and Outdoor Living

The outdoor area sits directly beside the white sand beach. At its centre is a 17-metre infinity pool overlooking the ocean. Therefore, it creates a seamless connection between pool and sea.

Sun loungers are positioned around the wooden deck. In addition, shaded daybeds and a poolside sala provide comfortable relaxation spaces.

Luxury Villa Living

Guests can swim in both the ocean and pool within moments. As a result, the villa delivers a true beachfront lifestyle experience.

Elegant Living and Dining Pavilion Design

Inside, the villa features a semi-open living pavilion with breezy tropical design. The space includes large sofas and a widescreen TV. Therefore, it is ideal for relaxed entertainment.

A separate dining pavilion is connected by a pergola-covered stone pathway over a pond. In addition, it features a long wooden table that seats up to ten guests.

The fully equipped kitchen is positioned beside the dining area. Meanwhile, a counter space doubles as a bar for drinks and casual meals.

As a result, the layout supports both social gatherings and private dining experiences.

Prime Bo Phut Beach Location Near Fisherman's Village

Baan Leelawadee is located on Bo Phut Beach. It offers direct access to a two-kilometre stretch of sand. Therefore, guests can enjoy long beach walks and sea swimming at any time.

In addition, Fisherman's Village is nearby, offering historic charm, restaurants, and local markets. On Wednesdays, guests can also experience the popular Walking Street.

This combination of beachfront privacy and local culture makes the location highly desirable.
