LA CASITA

Luxury Villa Living

La Casita

In two words: *seaside magic*. La Casita hangs over private Palmilla coast, in a captivating design that hugs the sea. Named a “Top 100 Villa” by *Travel+Leisure*, it’s difficult not to stand in awe when arriving at the cliffside Casita’s dramatic 270-degree views. It’s a special vacation home for families who want private space to gather, celebrate, and truly take in the ocean. A private staff creates a fully immersive Baja experience.
