DESCRIPTION

Villa DOL St Barts – Architectural Masterpiece with Panoramic Views

Villa DOL St Barts is one of the most extraordinary luxury properties on the island. Designed by the renowned New York architectural firm Barnes & Coy, this exceptional estate is the result of nearly two years of meticulous craftsmanship by expert stone cutters and carpenters.

The refined fusion of wood and stone creates a cool, tranquil atmosphere that blends seamlessly with carefully selected furnishings, offering an environment of understated sophistication.

Open Living Spaces Overlooking Lorient & St Jean

Upon entering the villa, guests are welcomed into a dramatic open-plan living, dining, and kitchen area with soaring ceilings and sweeping panoramic views. A full wall of glass retracts completely, opening onto the expansive terrace and infinity pool.

From here, breathtaking views stretch across the bays of Lorient and St Jean, the Atlantic Ocean, and as far as St. Maarten in the distance.

The terrace features:

Infinity pool with wide ocean views

Teak deck with shaded seating

Automatic misting system over sun loungers

Fisher & Paykel professional grill

Sculptural nautilus-shaped bathroom with rain shower

Lower terrace with black stone fountain
