DESCRIPTION

One of the property's most distinctive features is its beautifully restored old stone mill, a reminder of Saint-Barthélemy's heritage. Now home to the villa's fourth bedroom, the mill overlooks the white sands of Saint Jean Beach and gives this beachfront retreat a unique sense of character.

Beachfront Living

The living room enjoys beautiful ocean views and extends naturally into the outdoor areas. As a result, guests can move easily between the villa's interiors, pool and beachfront setting.

Outside, the swimming pool is surrounded by palm trees and overlooks the beach. Meanwhile, the sea is just steps away, making it easy to alternate between relaxing by the pool and spending time on the sand.

The air-conditioned living room also features a JBL Bluetooth speaker and Dish Network.
