DESCRIPTION

This is one space, multi-faceted and beautifully designed. Formal living leads to comfortable sofas in the media area on one side and the in-formal breakfast/bar area on the other. All doors lead to one of the two oversized verandahs – dining & seating are comfortable and inviting.

The pool & lawn nudge the beautiful white sandy beach of Old Fort Bay. The pool-side pavilion for long lazy lunches gives welcome shade in the heat of day. Sun loungers, both on the deck and on the Baja ledge or the brightly colored bean bags chairs on the lawn, invite relaxation.

The sandy beach is five steps down from the lawn – chose a different spot each day. Enjoy evening around the fire pit, toasting marsh mallows or enjoy a game of tennis, pickle ball or soccer in the cool part of the day.
