### DESCRIPTION

Constructed with clean lines in stark white — a style synonymous with high-end Anguilla villas — Limin' Da Coconut embraces the spectacular location with multiple indoor/outdoor living spaces, huge windows and a private pool. Large doors can also be opened, allowing the gentle Caribbean breezes to pass through. There are six exquisite master suites with luxury ensuite baths — each with a personality all its own. The small sandy beach, steps from the pool deck, offers perfect privacy or you can head to Rendezvous Bay beach just a less than 10 minutes drive away.

A grand modern entrance bursting with bougainvillea and lush landscaping offers an impressive introduction making Limin' the perfect villa to entertain family and friends. You'll feel like island royalty with "no worries" when you choose Limin' Da Coconut for the ultimate villa vacation.
