The interiors style has been created by Jill Stein and is coastal-hip, with driftwood features, oversized storm lanterns, locally sourced art and sculptures and designer furnishings.

The theme is echoed in a beautiful *Scabetti* '*Shoal Light*' of swirling bone-china fish in the double-height entrance hall.

Expect luxurious touches throughout including a warming *Stuv* woodburner in the cosy living room and *Gaggenau* appliances in the bespoke kitchen as well as a cinema room.

Outside, an acre of garden includes a terrace with sun loungers and a BBQ area. A gate gives direct access to the *South West Coastal Path* and the beach.
