DESCRIPTION

Luxury Beachfront Villa on Harbour Island, Bahamas

Asian House is an exceptional luxury beachfront villa on Harbour Island, blending contemporary Caribbean living with elegant Asian-inspired design. Positioned directly on the island's stunning coastline, this remarkable retreat offers breathtaking Atlantic Ocean views, direct beach access, and outstanding facilities for families and groups.

Spanning 11,000 square feet across three levels, Asian House accommodates guests in nine luxurious suites. With spacious living areas, private wellness facilities, landscaped gardens, and a spectacular beachfront setting, this villa offers an unforgettable luxury escape in the Bahamas.

Elegant Accommodation with Ocean Views

Asian House offers nine beautifully designed suites spread across three spacious levels.

The first floor features four elegant guest suites. Two suites enjoy stunning ocean views, while two additional bedrooms include private balconies overlooking the surrounding landscape.

The second floor is home to the impressive master suite. This spacious retreat features a private balcony with panoramic Atlantic Ocean views, creating a peaceful place to relax. The luxurious en-suite bathroom includes a freestanding bathtub and separate shower, both positioned to maximise the spectacular coastal scenery.

Meanwhile, the ground floor includes two king-bedded guest suites with private en-suite bathrooms. It also features a spacious self-contained apartment with two queen bedrooms, a living room, a fully equipped kitchen, and a shared bathroom. Therefore, it is ideal for families travelling with children, extended family members, or additional staff.

Bright and Sophisticated Living Areas

The interiors of Asian House combine minimalist Zen design with modern luxury.

The spacious open-plan living room welcomes guests with a striking wooden cathedral ceiling and large picture windows that frame uninterrupted ocean views. Comfortable seating areas create inviting spaces for relaxing, socialising, or simply admiring the scenery.

The fully equipped modern kitchen sits beside the main living space and provides everything

needed for casual breakfasts or elegant evening meals. Furthermore, the generous open-plan layout allows the living, dining, and kitchen areas to flow effortlessly together.

The villa also includes a private home office, making it easy for guests to work remotely while enjoying a luxury island escape.

Swimming Pool and Outdoor Living

Outdoor living is one of Asian House's greatest highlights.

The beautifully landscaped gardens surround the private swimming pool and create a peaceful setting for relaxing beneath the Caribbean sunshine. Spacious terraces provide comfortable seating areas where guests can enjoy spectacular Atlantic Ocean views throughout the day.

Additionally, the villa offers direct access to a semi-private beach. Guests can walk down a few steps from the garden to reach soft pink sand, complete with palapa umbrellas and comfortable loungers for complete relaxation.

Whether swimming, sunbathing, or enjoying sunset drinks by the pool, every outdoor space has been designed to make the most of this exceptional beachfront location.

Excellent Facilities

Asian House offers an outstanding collection of luxury amenities.

Guests can enjoy a private swimming pool, direct beach access, beautifully landscaped gardens, a fully equipped kitchen, spacious indoor and outdoor living areas, a home office, and advanced smart home technology.

The ground floor also features a private fitness room, massage room, sauna, steam room, shower facilities, and a cinema room with reclining sofas.

Additionally, the villa provides high-speed Wi-Fi, Starlink satellite internet, integrated speakers, smart tablets, and Netflix throughout the property.

A Prime Location on Harbour Island

Asian House enjoys a spectacular beachfront position on Harbour Island.

The villa overlooks the Atlantic Ocean and offers direct access to one of the island's beautiful pink sand beaches. Guests can enjoy complete privacy while remaining close to Harbour
