

Luxury Villa Living

The Crewhouse

This exceptional luxury house in Hamble sits at the centre of the South East's glamorous sailing scene. From the moment you arrive, coastal views and sleek architecture set the tone for a sophisticated stay. Because the house overlooks the marina, you can watch yachts glide past while enjoying complete comfort.

DESCRIPTION

Luxury House in the Heart of the Sailing Scene

Moreover, the location places you just moments from the water. You can stroll to the marina, explore the village, or simply relax on the balcony with a drink in hand. This luxury house Hamble delivers both energy and privacy in equal measure.

Designed for Entertaining and Social Living

Step inside and you immediately notice the bright white décor, clean lines and polished finishes. The ground-floor kitchen forms the heart of the home. Here, a central island with a half-circle dining area creates the perfect space for conversation while dinner cooks.

In addition, premium appliances make hosting effortless. Two electric ovens, a warming drawer, gas hob, microwave, fridge/freezer, instant boiling water tap, coffee machine, dishwasher and glass washer ensure everything runs smoothly.

If you prefer formal dining, you can set up the trestle table indoors or outside on warm evenings. Upstairs, the lounge floods with natural light. A curved sofa, Smart TV, Disney+ and a ceiling-mounted projector create an inviting cinema atmosphere. Meanwhile, the Sonos sound system allows you to control music easily from in-house iPads.

Six En-Suite Bedrooms for Flexible Group Stays

This luxury house Hamble sleeps families and larger groups comfortably across six beautifully styled en-suite bedrooms. On the ground floor, two flexible zip-and-link rooms offer super-king or twin arrangements, alongside a versatile triple room and a bunk room ideal for younger guests.

Upstairs, a spacious king-size bedroom and an elegant double room provide elevated comfort. Both first-floor suites include a bath and separate shower, adding an extra touch of indulgence. As a result, this luxury house Hamble combines privacy, flexibility and refined design throughout.

Indoor Hot Tub, Gym and Balcony Sunsets

For relaxation, head to the indoor sunken hot tub. You can unwind here at any time of year. Alternatively, use the private gym room to maintain your fitness routine.

Luxury Villa Living

Upstairs, large glass doors open onto a generous balcony with lounge seating and a BBQ. From here, you can watch the sun set over the marina. Downstairs, the lawned garden offers sun loungers for quieter moments.

Furthermore, the house sits within walking distance of the restaurants and cafés of Hamble-le-Rice. The vibrant waters of the River Hamble lie just moments away. In addition, Southampton is only a short drive for shopping, dining and entertainment.
