### DESCRIPTION

## An Elevated Sicilian Sanctuary

Villa Degli Dei sits high above the Sicilian landscape, offering space, privacy and calm. Its classical exterior, framed by elegant pillars, creates a strong first impression. Step inside and you'll find a home designed for both comfort and style.

## Timeless Interiors with Distinctive Character

The interiors feel rich and inviting, with warm colours, detailed patterns and subtle gold accents. Natural light fills the living spaces and enhances every finish. The main lounge offers a relaxed setting, while the dining area creates the perfect space for long, social evenings.

## Outdoor Living Surrounded by Nature

Outside, the villa opens into a private world of greenery and open views. The 28-metre swimming pool stretches through the grounds and reflects the Sicilian sun. Terraces and shaded pergolas provide space to relax, dine and enjoy the surroundings. With no neighbours nearby, the setting feels peaceful and completely private.

## Moments to Slow Down

Start your day with coffee overlooking the countryside and spend afternoons enjoying the pool or gardens. The atmosphere encourages you to slow down and enjoy each moment. In the evening, the villa becomes a quiet retreat, perfect for relaxed dinners and time together.

## Close to the Best of Sicily

Despite its secluded setting, Villa Degli Dei sits close to everything you need. The beach is just fifteen minutes away, while the town centre, restaurants and shops can be reached in ten minutes. This location allows you to enjoy both privacy and easy access to local life.

## Designed for Comfort and Space

The villa accommodates up to fourteen guests across seven bedrooms, each with its own bathroom. Every room feels calm, spacious and connected to the landscape. Additional features include a private office, piano and large outdoor areas, making the villa ideal for extended stays or group trips.
