Luxury Villa in St Tropez with Private Pool near Pampelonne Beach

Villa Rene is a beautiful luxury villa in St Tropez surrounded by Mediterranean gardens and peaceful countryside. Combining Provençal charm with elegant interiors, this exceptional retreat enjoys a tranquil setting while remaining within walking distance of Pampelonne Beach and a short drive from both St Tropez and Ramatuelle.

Sleeping up to 10 guests across five stylish bedrooms, Villa Rene is the perfect choice for families and groups seeking privacy, comfort, and easy access to the French Riviera's most iconic coastline.

Five Elegant Bedrooms

Villa Rene offers five beautifully appointed bedrooms designed with comfort and relaxation in mind.

The spacious master suite is located on the ground floor and features a king-size bed, television, garden access, and a luxurious en-suite bathroom with a hammam-style bath and rain shower. Additionally, a second ground-floor double bedroom enjoys its own en-suite shower room and direct access to the gardens.

Upstairs, three further double bedrooms provide comfortable accommodation for family and friends. One bedroom includes an en-suite shower room, while the remaining two share a modern family bathroom.

Elegant Living Spaces

The villa's interiors blend timeless elegance with warm Mediterranean style. Soft furnishings, natural colours, and carefully selected décor create a welcoming atmosphere throughout.

The spacious living room features comfortable sofas, large armchairs, satellite television, and a music system. Meanwhile, French doors open directly onto the terrace, allowing natural light to fill the space.

The fully equipped kitchen includes a large range cooker, American-style fridge freezer, dishwasher, wine cooler, and a separate entrance for food and wine deliveries. In addition, a practical utility room provides laundry facilities for longer stays.

Private Pool and Mediterranean Gardens

Outdoor living is one of Villa Rene's greatest highlights. The large private swimming pool sits within beautifully landscaped gardens and is surrounded by a spacious sun terrace with plenty of room to relax.

A wisteria-covered pergola provides a shaded setting for alfresco dining, while the pool house includes a fridge and basin for added convenience. Furthermore, guests can enjoy leisurely afternoons with a game of boules before gathering around the gas barbecue for evening meals.

The mature gardens, filled with Mediterranean shrubs, flowers, and trees, create a peaceful setting throughout your stay.

Prime St Tropez Location

Villa Rene enjoys an outstanding location close to some of the French Riviera's most famous attractions. Pampelonne Beach is only a 15-minute walk away, while the renowned Club 55 beach club is just 2km from the villa.

Furthermore, the charming village of Ramatuelle is only 3km away, and the vibrant harbour of St Tropez can be reached in approximately 11km. Consequently, guests can easily enjoy world-class restaurants, boutiques, and beach clubs while returning to the peace and privacy of the villa.
