DESCRIPTION

Ma'Moura has four bedrooms with a wonderful circular and octagonal design that embraces spectacular views of the Caribbean Sea from all angles. A fluid, transparent light glows in the living room and captures seductive vistas of gardens, golf course and sea below. With its comfortable Caribbean style, the living room is a perfect haven for family and friends to gather. There is a backgammon table, bridge table, flat screen television and DVD player. With wide sliding doors all around, the living room opens to the pool and to a newly added terrace outdoors, a perfect setting for evening cocktails or dinner under the pergola.

Surrounding the circular swimming pool are Ma'Moura's bedrooms, dining area, sitting area, kitchen, dining gazebo and bar. Each bedroom is air-conditioned with safe and flat screen TV as well as en-suite bathroom. The master bedroom has a four-poster king-sized bed. Another guest room has a king size bed and another has 2 four-poster queen size beds. The fourth bedroom has 2 twin size beds that can be converted to a king. All of the bathrooms have been completely refurbished and each bathroom has an outdoor shower.

All bedrooms have quiet remote control air conditioning, ceiling fans, flat screen televisions and en-suite bathrooms, robes & personal safes.
