Makana

Makana is one of the most glamorous private villas on the precious strip of land that borders Discovery Bay. The site itself is remarkable: a spacious villa with private tennis court and swimming pool on a sugary white sand beach bordering translucent swimming and kayaking water. The architecture is superb.

DESCRIPTION

Virtually a resort within itself, Makana also includes an air-conditioned gym with powder room. An over-the-water gazebo provides a 270-degree view of the mountains, bay and Caribbean Sea and is a splendid venue for lovers of breathtaking sunsets.

Spa specialists available on-call for massages/treatments that can be set up in bedrooms, balconies or in the garden (for various charges).

Interiors are stylish and comfortable. The Great Room with water feature and fish around entrance and in atrium... opens to a spacious verandah and bar. Home-cooked meals are served on the verandah or gazebo overlooking the lawn, garden, private pool, beach and blue bay.

Child friendly, Makana's design addresses the accommodation of family units. Excellent Jamaican nannies are available on request.

The state-of-the-art kitchen includes commercial ovens, a microwave, and gas grill. The talented Makana chef treats guests each week to barbecues of steaks, chicken, shrimp, pork and lobster fired on the outdoor grill.

The owners of Makana have stressed luxurious nighttime comfort by installing top-of-the-line mattresses and pillows, and hypo-allergenic down feather bed mattress toppers. All bedrooms have closets, safes and 40" Smart, flat screen TV'S.
