DESCRIPTION

Beachfront Elegance at Mango Bay Barbados

Mango Bay Barbados is an exceptional choice for a premier island sanctuary. This elegant beachfront estate sits perfectly between Holetown and Speightstown. The formal living room flows naturally onto a gracious patio. From here, guests can linger over views of the lush gardens and the Caribbean Sea. Stone paths lead from the main house to a charming dining pagoda. This unique space sits by the sea and a picturesque lily pond. Guests can also dine in the large pavilion. This area seats fourteen people and overlooks the private swimming pool.

Sophisticated Suites and Guest Cottages

The sleeping quarters at this magnificent home offer ultimate comfort across two buildings. The main house contains a grand master suite with an adjoining marble bathroom and two twin beds. Three additional double bedrooms sit in the main wing. Each room includes a private en-suite bathroom and remote-controlled air conditioning. A smaller single bedroom is also available for extra guests or staff. For total privacy, a separate cottage sits on the southern lawn. This cottage offers two fully air-conditioned double rooms. Consequently, the estate comfortably hosts large groups while maintaining individual privacy.

The interior design blends classic Caribbean charm with modern utility. For quiet relaxation, the study houses a television and an extensive library. Four telephone lines and an internal intercom keep communications open throughout the grounds. Furthermore, the modern kitchen supports large-scale entertaining with ease. Every room features high-end finishes that reflect the prestige of this exclusive Barbados estate.

Capable Staff and Prime Location

A stay at Mango Bay Barbados ensures a completely carefree holiday. A capable team of staff manages the property to the highest standards. Additionally, night security provides total peace of mind for you and your guests. The estate enjoys an unbeatable location on the Platinum Coast. You can reach the Royal Westmoreland Golf and Country Club in just five minutes. The luxury boutiques of Holetown and the historic charm of Speightstown are also nearby.

This property offers a peaceful ambiance directly on the Caribbean Sea. You can spend your days snorkeling in crystal clear water or relaxing by the pool. The mix of garden views and oceanfront living creates a truly memorable experience. In summary, this estate provides a perfect combination of grand architecture, professional service, and a prime beachfront location. It is a true gem for travelers seeking a sophisticated Barbados getaway.
