DESCRIPTION

Mas Gimbernat is a farm consisting of two buildings, Ca la Maria and Les Quadres, owned by our family since Ramón Gimbernat Arbat acquired it in 1926.

At Mas Gimbernat, every corner has been carefully designed to offer a unique and welcoming experience. Our cottages combine rustic charm with modern rooms, creating the perfect environment to relax and enjoy the scenery.

Ca La Maria

Ca la Maria is a fully equipped manor house where you can enjoy the origin, essence, and stone of the Baix Empordà farmhouses, with the design, comfort, and convenience offered by a completely renovated space with every detail, featuring a large garden, pool, and barbecue, offering a unique stay in the heart of the Costa Brava.

The house consists of six bedrooms, each with its own private bathroom, and a large area that includes the living room with a fireplace, the dining room, and a spacious kitchen with an island. A unique atmosphere that makes Ca la Maria the perfect place to enjoy with friends and family.

Les Quadres

This house is the result of the comprehensive rehabilitation and expansion of the old quadres that, since 1926, have been part of the property. The project has been donated to an avant-garde space that preserves the original essence, maintaining the Catalan influences and fusing them with a modern industrial style.

Fully equipped, the house can accommodate 6 people and has 3 bedrooms with a private bathroom, including a large Suite.

The dining room, kitchen and living room spaces are integrated into a diaphanous distribution and provide access to the exclusive exterior, which includes a chill-out area and barbecue to enjoy the fresh air.
