DESCRIPTION

Each of the three bedrooms opens up to views of the Caribbean Sea with its own en-suite bathroom, air conditioner, ceiling fan, and flat-screen television. The main floor bedroom opens onto the terrace whereas the two upper bedrooms share a covered patio with comfortable seating to relax and view the spectacular sunsets. On this level, there is a bonus room that can be used as an additional lounging/sleeping area (crib/bassinet available upon request).

The main living space includes an additional full bathroom, an open-concept kitchen and dry bar, an air-conditioned dining area, and a comfortable living room with a flat-screen TV and reading plenty of books to keep your company. The kitchen includes a new stainless-steel refrigerator and dishwasher as well as a five-burner gas stove. The bar area contains a generous wine/beverage fridge. The outside terrace invites you to dine al fresco at the covered table, sunbathe on one of six loungers, or cool off in the plunge pool. Walk along the tranquil beach and swim in the turquoise water just outside your gate. The villa also includes private parking which can accommodate two cars.

Included in your stay is a housekeeper/cook providing delicious breakfasts and lunches six days a week. Dinner preparation is available for an additional fee. If you do decide to leave this little slice of heaven, there are numerous dining options, many within walking distance, as well as a grocery store. Barbados' West Coast offers up some of the finest dinings you will find across the globe! Many other activities such as scuba diving, golf, horseback riding and surfing are just a short drive away.
