DESCRIPTION

On arrival, you're first greeted by the indoor living area which features a grand piano, setting the tone for the elegance of Monkey Manor. The indoor living area seamlessly transitions onto an expansive covered outdoor deck, complete with al-fresco dining options and bar, creating the perfect ambiance for relaxation or entertaining. The centerpiece of the villa is the 50-foot swimming pool, surrounded by several loungers and umbrellas for guests to embrace the island's gentle breezes and endless sunshine. The lush, tropical gardens that envelop the swimming pool create a truly secluded oasis. The ground-level houses two of the four suites found within the main villa, providing easy access. Also featured on this ground level is a dedicated office space, a cozy entertainment room, a spacious kitchen as well as staff quarters.

The allure continues on the first level, where two additional suites can be found. Both suites are exquisitely appointed and open onto a spacious sun deck that overlooks the pool with distant Caribbean Sea views.

Below, steps away from the swimming pool is the cottage, equipped with its own kitchenette, dining spaces and two additional en-suite bedrooms. The cottage also features its own patio area, perfect for al-fresco dining beside the pool. Additionally, a few steps away from the pool is the spa room, providing a peaceful escape for on-site pampering, yoga or meditation.

Each space within Monkey Manor seamlessly harmonizes with the other, each tastefully decorated and featuring every modern convenience and comfort to ensure the most perfect stay. Guests of Monkey Manor also have access to all amenities of Royal Westmoreland including golf course access, tennis courts, gym, clubhouse and 24-hour security.
