## Moorings 4200 – 4 Cabin Catamaran

The latest Robertson & Caine catamaran to join the fleet, the Moorings 4200, was designed with innovation and charter guests in mind. Mimicking a similar deck plan and many of the same design details as the award-winning Moorings 5000, this mid-size sailing vessel is as functional as it is visually appealing.

4 Bedrooms  
Sleeps 10  
Various Charter Locations Available

### DESCRIPTION

With her sleek lines, wraparound windows, and spacious upper lounge area, the Moorings 4200 never fails to turn heads on the water. The voluminous interior features a skylight, U-shaped forward-facing galley, island berths for dual-sided access to the bed, and a forward door for ease of movement around the yacht.

The perfect balance of cruising performance and on-board comfort is achieved in this next-generation catamaran. The separate helm station is protected behind the main saloon bulkhead with all controls leading there, which makes single-handing this yacht a breeze for adept skippers. Her stepped hulls and powerful rig with overlapping genoa allow for safe and spry maneuverability in varying wind conditions.
