### DESCRIPTION

Likewise, décor is effortlessly chic, with muted taupe linens and modern prints, enlivening peaceful white and wood interiors.

The pool area is at the heart of this laid-back sanctuary. Guests can lay around the infinity pool on luxury sun-loungers and bean bags for the kids, as monkeys swing from nearby trees. With the terraced spaces to relax and the waterfall from the pool this really is the place to relax and unwind.

The Nine is perfect for all types of groups including adult groups and couples etc with a need to never leave the villa, with a refreshing drink on arrival, its own private in-house chef and a butler service. Full housekeeping and concierge services are provided with the emphasis as much on the experience as on the villa itself.

But it also is dream family territory. The villa is only 500 steps to the beach and the marina. So borrow a bicycle or surf-board to hit the waves. Or make use of the local tuk-tuk driver if you want to explore the local area. Concierge services are also available for all the family to arrange yoga, pampering sessions, snorkelling, whale watching, fishing trips or to charter your own private yacht. And if you catch a marlin or tuna fish, the Villa's private chef will cook it upon your return.
