DESCRIPTION

The ground floor living areas are spacious with a large family room featuring comfortable sofas, a 65-inch flat screen TV and guest bedroom. The best in-house chef prepared cuisine can be enjoyed in a formal setting within the upscale air conditioned interiors, or around the alfresco dining table which can seat up to 12 guests.

Foodies marvel at the delicacies created in the well equipped kitchen, which includes bar stools for easy breakfast meals. Both dining and family rooms open to face the wide covered terrace and then onto the outstanding outdoor areas with informal dining spaces, sun-loungers, enticing swimming pool and direct access to the beach. Retractable awnings or large sun umbrellas also offer plenty of shade.

Upstairs, the master bedroom and 3 other bedrooms can be found. With access to terraces, en-suite bathrooms and lavish finishes, there are only good views at this property. Nirvana's rooftop floor has also been transformed into a unique sunset bar with plenty of seating, giving elevated sea and beach views.

Lastly, with smart home technology incorporated throughout the villa, guests feel connected no matter which space they're in.
