DESCRIPTION

With breathtaking views of the beach, right down to South Sound, from the top three floors of this villa, you will marvel at the vista at all times! With steps from the living room, right down to the beautiful sandy beach, you can walk, swim, snorkel, or relax on the soft sand and soak in the warmth of the Caribbean sun anytime you like. The unique and incredible rooftop infinity pool and spa allow for private swimming and sunbathing, as well as the most incredible views across the island. Watch the spectacular sunrises or sunsets from the beach or the rooftop pool and bar/dining area.

The 4 storey house, with built-in surround sound, has 9,000 square feet of indoor living space, and is comprised of 5 bedrooms, all with ensuite bathrooms, and a guest bathroom on the main floor, off the exceptional dining room with sweeping floor-to-ceiling views of the Caribbean Sea! Beyond this are the powder room, the spectacular 10-seater dining table and the huge gourmet kitchen, which boasts two electric ovens, and a gas cooker. The large island lights up and has 5 additional bar stools for dining.
