DESCRIPTION

The ocean-front mansion boasts four levels and includes its own elevator so less mobile loved ones can easily access all of the action. During your stay, you will enjoy your own private, seaside pool and white sandy beach where the calming sapphire-blue and emerald green waters gently advance and retreat from the pristine shoreline.

Escape to this oasis where the surrounding fruit trees and local flowering shrubs form an impenetrable canopy of seclusion and breathtaking, natural beauty. Oceanus is extremely well-built with an open plan accented by magnificent cathedral ceilings and encapsulated by floor-to-ceiling glass for spectacular views. Experience even more amazing views and fresh island breezes from the roof-top party deck, where, on a clear night you can see most of Grand Cayman's illuminated shoreline dancing in the distance.
