DESCRIPTION

Rich in both indoor and outdoor spaces, rich in taste, in colours, in textures and, most importantly, rich in style, this villa could not possibly be missing from our amazing Villa Collection.

Beautifully standing amidst numerous olive trees -as its name indicates- the Olive Grove villa consists of three levels: the very spacious and beautifully sun-lit ground floor level with its sitting areas, the big dining area, a fully equipped kitchen and a WC, then up to the first floor consisting of 3 bedrooms (1 master bedroom with its ensuite bathroom, a simple double and a twin bedroom, both sharing a bathroom) and, last but not least, there is the lower level with its four bedrooms all with ensuite bathrooms and a shared big terrace accessible through the sliding door of each bedroom. That makes 7 bedrooms and 6 bathrooms in total, enough to accommodate at least 14 guests.

The outdoor spaces include a brand new swimming pool with a design outdoor shower, umbrellas and loungers, pergola-covered eating area as well as numerous sitting areas, the total being decorated in a very charming and relaxing style with natural materials and warm earthy colours, perfectly blending in the surrounding landscape. Do not miss the pleasure of spending your holidays in a space where everything has been made with the utmost care and dedication.
