DESCRIPTION

Completely silenced out from the noise of traffic, guests are spoiled with sounds of rolling waves and unhampered ocean views. The 5-bedroom villa is dispersed across almost 6,000sqm of land allowing guests to live at absolute large.

3 larger living areas faces the length of the pool - the open-air space is decked out in plush couches and stone tables. The space is decked out in white drapery as light curtains to privatize the space. An additional entertainment room in the front of the villa is similarly furnished but is sound systems and a satellite TV! Beneath the along-along thatched roof is a round table and maroon dining chairs. Multiple floor-to-ceiling glass windows enclose the formal dining room.

Fully-staffed Villa Ombak Luwung does not skimp on five-star help. With a villa manager and assistant manager, a private chef, villa attendants, gardeners, a pool attendant, and security guards, guests will not need to worry about keeping the place at tip-top shape! A small extra charge is added if daily breakfast, airport pickup, masseuse and babysitters are requested.
