DESCRIPTION

Purana means 'stories' in ancient Sanskrit – and it's just waiting for you to write your own memorable stories about this beautiful tropical island.

Through a large wooden gate you enter an astonishing living area with a soaring wood-lined, vaulted ceiling and glass walls running virtually the entire width of the villa – opening onto an expansive terrace soaking-up the view.

At one end is a lounge with comfortable sofas, easy chairs and wall-mounted TV surrounding a natural wood coffee table – tastefully decorated with contemporary ornaments and works of art. An eye-catching rectangular dining table takes center stage, served by a modern show kitchen with island bar for breakfast and casual meals, and built-in wine cooler.

Four ensuite double-bedrooms are on the pool and garden level, with king-size beds, bathrooms with rain shower, and in the case of the master bedroom, terrazzo bathtubs opening onto the pool. Pale woods and natural finishes and fabrics create a light, comfortable ambiance with tasteful occasional chairs and Thai art pieces. Flat-screen TV and modern AV accessories make each room far more than a place to sleep.

Beside the welcoming blue-tiled infinity pool, a swim-up bar with sunken stools adjoins the sala – where a dining table and cushioned seating is ideal for lazy lunches by the pool, resting in the shade or for your own private pool party.

Lying by the pool, sipping a cocktail under the stars or just gazing at the breathtaking views, your imagination is freed for your own stories to unfold in this gorgeous private retreat.

PANACEA RETREAT

Located high in the lush green hills above Koh Samui's popular resort of Bophut and charming Fisherman's Village, Panacea Retreat is just a 15-minute drive from the island's international airport and 10-15 minutes away from the white sandy beaches of Bophut, Big Buddha and the island's main tourist centre, Chaweng.

All five Panacea Retreat villas have spectacular views over Samui's north-east coastline and the Gulf of Thailand, to mystical islands such as Koh Phangan, popularly known as 'Full Moon Island', as well as Samui's striking interior with its jungle-clad hills and dramatic waterfalls.

Circumnavigating Koh Samui by car takes just over an hour, so nothing is very far away. The main ferry port of Nathon, with connections to the Thai mainland, is around 30 minutes' drive and the key jumping off point for boat excursions to offshore islands is a mere 10 minutes away at Big Buddha.

Panacea Retreat is a peaceful sanctuary far above the hustle and bustle of Koh Samui's coastal resorts, and always ready to welcome you back.
