DESCRIPTION

The gentle waters and soft sands of the private, kid-friendly beach are perfect for even the littlest bare feet. Expansive windows survey the pool and beach (and your loved ones!). An outdoor kitchen, private dock with cabana, and breezy dining spaces bring resort-style comforts to your private Cayman getaway. And the infinity pool's sun shelves and fire features encourage you to lounge poolside from sun-up to sun-down.

Six bedrooms and 6.5 bathrooms accommodate multiple families with ease. An oceanfront master suite with morning kitchen awaits one lucky couple, while a second master suite with sea and pool views and a marble and crystal bath is equally indulgent. Kids can pile into the 6-person bunk-room for a sleepover while other adults choose from three more well-appointed bedroom suites, all with their own baths.
