DESCRIPTION

This beachfront pad includes 5 ensuite bedrooms, all of which offer mesmerizing sea views and privacy whilst communal areas bring cherished guests together on the sea facing terrace with luxury sun loungers, one of a kind infinity edge pool or the multiple dining and lounging areas.

The 5th bedroom doubles up as a media room and for the energetic there's also a table tennis table and Rocky style out door gym. The bar with TV comes into its own for the sensational sundowners which will blend into memorable evenings under the stars including canapés and sumptuous three course dinners.

The modern clean lines of the interiors along with the contemporary furnishings contrasts with the ageless sights and sounds of the Caribbean that cocoon this one of a kind property in total awe inspiring luxury. Arrive after a long trip and immediately feel invigorated by the dramatic setting and mesmerizing views. Breathe in the fresh sea air and allow the attentive staff to indulge your every need.

Trendy beach bars and restaurants such as La Cabane and Cala Roca are close by and the swimming directly in front of the villa offers some of the clearest waters on the coast. Stroll down to La Cabane for lunch or sundowners or take a short drive down the coast to Holetown. Everything you need and more is available on the West Coast of Barbados but it all starts at Portobello Villa.
