DESCRIPTION

Punta Cana Luxury Villa with Chef and Golf Views

Surrounded by lush gardens and open golf course views, the property creates a calm and private setting. At the same time, it remains close to the resort’s top amenities.

Fully Staffed and Effortless Living

A private chef, butler, and housekeeping team ensure a smooth and relaxing stay. The chef prepares three meals per day plus snacks, allowing guests to enjoy a personalised dining experience.

In addition, a dedicated concierge manages every detail. They organise airport transfers, excursions, spa treatments, and grocery shopping. As a result, guests can fully relax from the moment they arrive.

Spacious Interiors with Vintage-Boho Style

The villa blends warm design with a relaxed, elevated feel. Open-plan living areas create a seamless indoor–outdoor flow, perfect for socialising or unwinding.

Each of the nine bedrooms includes an ensuite bathroom and Smart TV. The layout offers king suites, queen rooms, and flexible sleeping options. Therefore, the villa works well for a wide range of groups.

Multiple living and entertainment areas also provide space to gather or enjoy quiet moments.

Outdoor Living and Wellness Features

The outdoor areas are designed for both relaxation and entertainment. Guests can enjoy a private swimming pool, jacuzzi, and optional heated pool.

The villa also features a gym, massage room, and fire pit. For entertainment, there is a pool table and ping pong. In addition, bicycles offer a simple way to explore the surroundings.
