Luxury Villa Living

Sensual

Saddled upon the lower cliffs of Camps Bay, this state-of-the-art, contemporary villa tiers over two levels, and hovers above the glistening Atlantic Ocean. DESCRIPTION

The open plan kitchen, expansive living and dining area stretches itself open plan as signature pieces of art, refined furnishings, marble, copper and glass all command your attention. Though not enough to distract from the sensational views of Bali Bay – a secluded alcove below, where discerning beachgoers can dive from boulders into the revitalising turquoise waters.

The villa accommodates 6 guests in 3 spacious and secluded en suite bedrooms. 2 of them sit on the top level, delivering more sea views from the main en suite, while a small courtyard with an olive tree cocoons the 2nd. Down the stately stairs to the 3rd en suite that provides another spectacular viewpoint of the ocean.

It's joined by a large, lavish entertainment space where an open gas fireplace discreetly divides the long, black granite table and bar area from the lounge and flat-screen TV. The 6-seater built-in bar, with its speckled gold and black marble countertop, exudes a sultry style, and entices you to perch yourself next to it, as you enjoy watching the sun set right in front of you.

Tall glass doors slide open onto the terraced deck that borders the swimming pool, offering several seating spots to recline on as you look over the green foliage, the palms, and out to sea. An idyllic setting for all to gather together, as the flames from the outdoor grill get lit, the afternoon cocktails from the bar get poured, the pool gets busy and the loungers get occupied.

Camps Bay's reputable strip of restaurants, bars, boutiques and cafés is only a 5-minute walk away from the villa. If the activities of the area do not satiate your stamina, the fully equipped gym, will be waiting for you back at the villa, with once again some unbeatable views to go with it.
