### DESCRIPTION

The very stylish Villa Sentosa incorporates 8 bedrooms in a single story, contemporary design. The curved construction allows the beach front rooms a vista of the turquoise waters of Grace Bay Beach. Guests are able to cool off by the side of the pool, relax in the jacuzzi or watch the sun set from the palm shaded, beachside deck. There is plenty of entertainment for the family, with a media room, ping pong table, foosball, TVs in every room, snorkelling equipment and non-motorized watersports including a small sail boat.

The cool white bedrooms with modern artwork feature two full beds in every room except the two luxurious masters with a king bed in each. At Sentosa the staff operate from the Western end of the property, with the chef and butler dreaming up meals and cocktails using the fully equipped commercial kitchen, close to both the dining area and shaded outdoor dining cabana.
