DESCRIPTION

Millionaire Mile Villa with Infinity Pool

This Millionaire Mile villa with infinity pool offers a luxurious oceanfront escape with breathtaking panoramic views of the Andaman Sea. Serenity Villa is designed for comfort, privacy, and seamless indoor-outdoor living. As a result, it works beautifully for families or close groups seeking a stylish Phuket villa stay.

The villa includes five official bedrooms, five bathrooms, and one bonus sixth bedroom when needed. This Millionaire Mile villa with infinity pool also features two full kitchens, two spacious living rooms, ultra-high ceilings, glass walls, high-speed Wi-Fi, TVs, air conditioning, elevator access, workspace, BBQ grill, outdoor dining, multiple terraces, and exclusive use of the entire property.

Guests can also enjoy access to resort facilities across the street, including a fully equipped gym. In addition, room service is available, creating a comfortable balance between private villa living and hotel-style convenience.

Oceanfront Living and Andaman Sea Views

The main living spaces are bright, modern, and open. Floor-to-ceiling windows and glass walls frame panoramic views of the Andaman Sea.

Ultra-high ceilings add a dramatic sense of space. Moreover, the two living rooms give guests flexibility for relaxing, entertaining, or quiet downtime.

The villa also includes two fully equipped kitchens. Therefore, guests can enjoy in-villa dining, private meals, or relaxed self-catering during their stay.

Infinity Pool and Outdoor Dining

The 17-metre infinity pool is one of the villa's standout features. It overlooks the sea and creates a spectacular setting for swimming and sunbathing.

The pool deck includes sun loungers and outdoor seating. In addition, multiple terraces provide extra space for relaxing in the sunshine.

Outdoor dining areas and a BBQ grill make alfresco meals easy. As a result, long lunches, sunset drinks, and evening meals feel especially memorable.

Bedrooms and Flexible Layout

Serenity Villa is officially a five-bedroom property, with one bonus sixth bedroom available when needed. It can accommodate up to 12 guests.

The top floor includes two master bedrooms with en-suite bathrooms and balconies. One master bedroom also includes a Jacuzzi bathtub, while an office and elevator access add convenience.

Bedrooms three and four are arranged as a flexible two-bedroom suite. They share a large luxury bathroom with Jacuzzi, double vanity, separate shower, and separate toilet. Bedroom three can also use a separate full bathroom near the elevator for added privacy.

The ground floor includes bedroom five with terrace access and bedroom six connected through bedroom five. These two rooms share a bathroom. Therefore, this setup is best suited to families or close groups rather than guests needing full bedroom privacy.

Location and Private Guest Access

Serenity Villa sits on Phuket's famous Millionaire Mile, close to Kamala Beach, beach clubs, restaurants, and water sports. Phuket FantaSea is also a short drive away.

Guests have exclusive access to the entire villa during their stay. There are no shared spaces, so the property feels private, comfortable, and secure.

With its 17-metre infinity pool, five bedrooms plus bonus room, two kitchens, two living rooms, elevator, workspace, sea-view bedrooms, BBQ area, resort gym access, room service option, dedicated villa team, and panoramic Andaman Sea views, Serenity Villa offers an outstanding Phuket oceanfront escape.
