DESCRIPTION

A very practical, compact villa (that doesn't mean small, just well-designed!), this brand new addition to the St Barts rental collection couldn't be better placed for those who want to be at the heart of the exclusive St Barts lifestyle. Built with the rental market in mind, Villa Shell Beach offers two widely separated en suite bedrooms, one with its own private entrance and the other with an entrance direct into the shower to get rid of all that intrusive sand!

The spacious pool terrace is perfectly placed to take in a spectacular view of St Martin, sunsets and the harbour with all its comings and goings. Built to the standard of today's rental villas, it provides you with every modern convenience to make your vacation relaxing and carefree.

And just a couple of minutes' walk away is one of St Barth's best loved restaurants - the Do Brazil, with nightly music and an original South American menu, not to mentions it's fabulous view over the spot-lit palms to the beach beyond. It could become your local!
