Luxury Villa Living

DESCRIPTION

It features three master bedrooms, two with ocean views and balconies overlooking the beach, and one garden view master. The living area along with indoor and outdoor dining are situated on the upper floor with panoramic views of the turquoise waters. For an even more spectacular view venture to the third-floor viewing deck for quiet relaxation and sunsets.

The staff consisting of chef, butler and housekeeper will pander to your every need and will prepare food in line with preplanned menus from the professional chef's kitchen.

The beautiful well-kept gardens of the Silver Sands Villa are planted with native species including lignum vitae (wood of life), providing a stunning entrance to Silver Sands to be enjoyed by all. The property has over 200 feet of beach front, featuring a stainless-steel pool with waterfalls, an area for beach tennis, volleyball, and a hammock grove where you can sit, relax, and listen to the waves gently lapping on the shoreline.

Located in Thompson Cove on an extremely quiet section of the beach, Silver Sands Villa has its own artificial reef and natural areas of snorkeling also frequented by Pete and Patricia the pelicans, who seem to have made their home there. If you don't want to be snorkeling under the water, then take advantage of the numerous kayaks and stand up paddleboards and explore the coastline. Da Conch Shack is within walking distance where you can experience local food and music in the form of local artists including a rip saw band.
